

INVESTOR SUSTAINABILITY INTEREST EVALUATIONS

An SRI-CONNECT product for listed companies

Understand the specific sustainability interests of your largest investors:

Better understanding of their needs => more targeted and effective communications

OBJECTIVE

To use summary assessments of the sustainability interest of your largest investors to help board members, senior executives and other colleagues understand investors' interest in specific sustainability issues (such as climate change and biodiversity).

PRODUCT

- A report like this one: [ISIE: Focus on climate change, nature & biodiversity focus](#)
- ... detailing the interests of the investors that are most relevant to your company

PROCESS

You provide:

- A list of your most significant 25 investors (typically your top 20 together with any particular target investors)

SRI-Connect delivers:

- The report described above

PRICE

- £1,500 + VAT (UK)
