SUSTAINABILITY RESULTS WEBINAR
An SRI-CONNECT product for listed companies

Communicate your sustainability performance in-depth and efficiently to investors:

Brief analysts via a Sustainability Results Webinar

OBJECTIVE

To ensure that all SRI investors and analysts have heard about your company’s sustainability performance in a way that enables you to communicate context and depth; to give investors and analysts time to feed back on their needs and ask questions.

PRODUCT

➢ A well-attended webinar hosted by SRI-CONNECT
➢ With invitations issued to (at your choice) SRI & corporate governance specialists from ‘buy-side’ asset managers, ‘sell-side’ brokers and specialist SRI & CG research providers

PROCESS

YOU:

➢ Supply us with your current SRI contact lists (so that we can invite all ‘known’ analysts to join the webinar)
➢ Give a 25 min presentation on the aspects of your sustainability performance and positioning that are most relevant to investors (the ‘material’ aspects); answer questions for 35 mins
➢ ‘Connect’ with analysts and investors after the call to an ensuring ongoing relationship

SRI-CONNECT:

➢ Targets a suitable audience
➢ Sends event invitations and reminders
➢ Handles all webex logistics (set-up, testing etc)
➢ Hosts and manage the event

PRICE
